

Finanční kontrolor - Trade Controller

What we are

We put emphasis on your personality as well as your professional experience and intrinsic motivation! In line with our values and the entrepreneurial spirit of the company, we will care about your career and personal development. If you are looking for an interesting job in a promising company, we are the right choice for you!

Is it you we are looking for?

- you have a university degree, ideally in a technical/economic field
- you have experience in controlling in a manufacturing plant
- communicate in English
- you can work well with MS Excel and know SAP
- you enjoy working with numbers and are communicative

What we expect from you

- understand the business processes, developing efficiency improvement measures,
- detailed analysis of monthly trading results, discussion with traders,
- active participation in the monthly closing process,
- preparation and presentation of weekly / monthly / quarterly / annual reports of trade activity
- preparation of regular and ad hoc reports on the elements influencing the results of each product,
- preparation of statistics, submitting data to authorities,
- preparation of a monthly balance sheet reconciliation for the specified balance sheet items.
- participation in projects (e.g. systems update SAP)
- data preparation for Audit

What you can look forward to

- professional and dynamic working environment
- great team
- training
- iPhone, laptop
- company events
- pension contribution
- 60% meal allowance
- 1 week extra holiday
- annual bonus

If you are interested in our job offer, please do not hesitate to send us your CV in Czech and English. Thank you.
